

**Village of Pocahontas**  
**Committee Meeting**  
**Monday December 2, 2024, 7:00 P.M.**

Meeting called to order by Village President, Karen Heilig. The roll call was taken with the following trustees present: Matt Hawley, Dave Crawford, Pat Forhan, Adam Evans and Danny Beard Jr., and Sue Kovach.

Also present: Loni Hensler – Village Clerk, Don Hawley, Jeff Kleinik, Brenda Kleinik, Jennifer Rick, and Tim Schneider.

Matt advised that he spoke with Bond Madison about water at the truck stop. They advised him that the previous board agreed that Bond Madison would get the water and the Village would get the sewer. Bond Madison will supply the Village with a meter reading for the sewer monthly so that they know how to bill. Starting next week they will be setting the water meter at the truck stop.

**Sewer Project:** The plan is to reroute to the east. The engineers have been and are working on the construction analysis. The landowners that this would effect want to look at the drawings before they make a decision. Going this route will be better as it can run through the manhole between Dollar General and the former Funderburks building.

The existing hole needs to be filled and back filled. Adam will touch base with Ryan to see if the plans have been updated.

Karen advised that the Village Hall needs some upkeep. Loni will call Joiner Construction to see about a quote for repairing the roof.

The Trunk or Treat went well. Karen thanked Dave for letting the village utilize his trailer.

We will have snacks at the December 16<sup>th</sup> meeting. If you are able, it was asked that you bring a snack that evening.

Police: Both Jon Carter and Tyler Bryant have taken some shifts. Rob has been going out on the interstate as well.

We will need to look into the plaques more. Karen would also like to add one to the Village Hall with a list of former mayors.

Discussion was held about any new developments going into the village needs to have water with the Village.

Meeting adjourned at 7:37 p.m.
