Dear Resident,

On June 13, 2024, we were notified by Bond Madison Water Company that as of August 1, 2024, water rates will go up by \$.55 per 1,000 gallons. This has given the Village of Pocahontas no choice but to raise our rates as well.

The Board of Trustees voted to raise the water rates by \$.55 across the board to match what Bond Madison will be charging.

For residents that pay In-Town pricing, the new charges will be: \$18.33 for the 1st 1,000 gallons; \$10.55 for each additional 1,000 gallons up to 9,999 gallons; and \$9.05 after 10,000 gallons.

For residents that pay Out of Town pricing, the new charges will be: \$25.31 for the 1st 1,000 gallons; \$13.55 for each additional 1,000 gallons up to 9,999 gallons; and \$12.55 after 10,000 gallons.

We apologize for any inconvenience.

Sincerely,

Pocahontas Village Board of Trustees
